Re: Arizona American Water Company
Hearing on Rate Increases, 08-23-07

Gentlemen;

This is my written motion to intervene at the Commission hearing beginning August 23, 2007, at 10:00 a.m. on the application of Arizona- American Water Company for increases in its rates and charges for utility service by its Sun City wastewater and Sun City West wastewater districts Docket No. WS-01303A-06-0491.

As a customer of the Company I have objected since 2004 to the Company practice of applying fixed wastewater charges to the water bill at each residence in Sun City West. This fixed charge makes no allowance for total water usage, size of property, number of residents, irrigation and other surface uses of water not affecting wastewater. I consider this practice inequitable and patently unfair simply because I am a retired single resident in a 1600 sq. ft. house on a small lot using about 4000 t-gals of water a month yet the wawa charge runs 55 to 65% of my TOTAL water bill.

I certify that I have mailed a copy of this motion to intervene to the Company or its counsel and to all parties of record in the case.

My name, address, phone number, and account number are as follows: Philip Jansen; 14115 W. Gunsight Dr., Sun City West, AZ 85375; 623-584-3976; Acct # 23-0062345-7.

Sincerely yours,

Philip Jansen
